DETAILED ACTION

Allowable Subject Matter

All claims are allowed. Claims 1-7, 11, 13-15 are allowed. The following is an examiner's statement of reasons for allowance: All claims are means claims. As noted in the file history, the claimed inventions of these claims are meant to be within the situation of the Unisys Clearpath. Nevertheless, because trademarks cannot usually be used in claim language, the claims were amended so as to fit the patent laws. Because of 35 USC 112, sixth paragraph and because an applicant can be his own lexicographer, the applicant has been permitted to retain the meaning of the claims so as to be within the situation of the Unisys Clearpath. The prior art did not teach or suggest the particular features of the claims.
